

## Los Alamos National Laboratory/New Mexico Consortium ePBR Matrix User Form

Name

Email address

Organization

Phone number

Expected length of experiment

Number of ePBRs desired

Algal strain(s)

Air bubbling?

Yes

No

Air diffuser?

Yes

No

CO<sub>2</sub> pH control?

Yes

No

If yes, what pH?

Peak light

Sinusoidal?

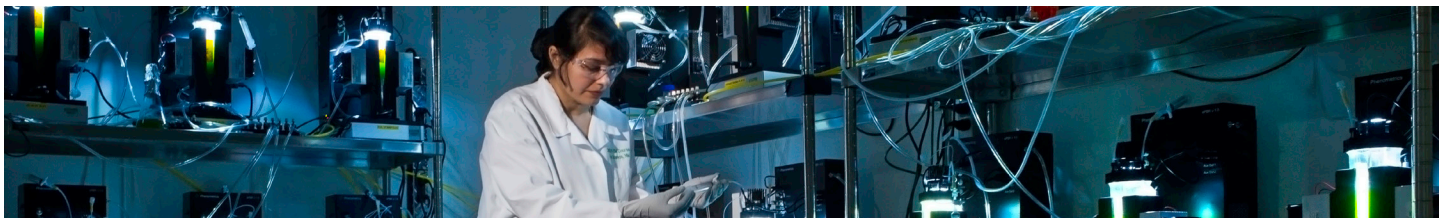

Yes

No

Day length

Stirring speed  
(default: 200 rpm)

Brief experimental description

## Los Alamos National Laboratory/New Mexico Consortium ePBR Matrix User Form

Describe monitoring required (eg: OD-750 @ noon daily)
